Good morning,

My name is Emily Walden, and I've lived in Mount Pleasant with my husband and our two young children for the past 8 years. We love living in Mount Pleasant for the sense of community and the incredible access to nature that comes with being so close to Rock Creek Park.

We're really excited about Rock Creek Club because it brings together so many of the things we value as a family: being active, spending time outdoors, and connecting with friends and neighbors. Often, we have to drive or leave the city to find an outdoor community space. The idea of having that kind of space right in our backyard is incredibly special. We're so excited to be able to walk and bike to get there.

We think Rock Creek Club will be a wonderful addition to the community and are genuinely excited about the opportunity for our family and our neighbors to enjoy it for years to come.

Thank you,

Emily
