To whom it may concern,

I'm writing in support of Rock Creek Club. My wife and I dreamed of moving to Mount Pleasant to be closer to Rock Creek Park, especially after two years of the pandemic in Shaw made us realize just how much we missed being close to nature. We (plus our 3 children!) have taken advantage of having the park in our backyard ever since, and we're so excited about the opportunity to enjoy even more of what makes this neighborhood special.

We love the idea of Rock Creek Club as a place to connect with our community, spend time outdoors, stay active, and bring friends and family together. Having a space like this right here in the city, where people can enjoy nature and build community without having to leave DC, would be such a wonderful addition to the neighborhood.

We expect to get there primarily by bike or on foot, and we're excited to support this opportunity so close to home.

Thank you for considering my support.

Warmly,

Adam Schrom
