**CASE NO. 08-30B (West Half Residential II, LLC and West Half Residential III, LLC - Capitol Gateway Overlay District Review @ Square 700, Lots 33, 802, 840, 841, 850, 864, 865, 868, 871, 872, 873, 874, & 875)**

**THIS CASE IS OF INTEREST TO ANC 6D**

On December 11, 2015, the Office of Zoning received an application from West Half Residential II, LLC and West Half Residential III, LLC (collectively, the "Applicant") requesting modification to portions of previously approved plans in Z.C. Order No. 08-30, as previously amended by Z.C. Order No. 08-30A, for construction of a mixed use building, pursuant to the requirements of the Capitol Gateway (CG) Overlay District set forth in 11 DCMR § 1610. As part of the requested modification, pursuant to 11 DCMR § 1610.7, the Applicant is seeking area variances from the following requirements: (i) percentage of lot occupancy (11 DCMR § 634.1); (ii) closed court (11 DCMR § 638.2); (iii) setback along Half Street, S.E. (11 DCMR § 1607.2); (iv) percentage of compact parking spaces (11 DCMR § 2115.2); (v) grouping of compact parking spaces (11 DCMR § 2115.4); and (vi) loading (11 DCMR § 2201.1).

The subject property consists of Lots 33, 802, 840, 841, 850, 864, 865, 868, 871, 872, 873, 874, and 875 in Square 700, having a land area of approximately 87,991 square feet. Square 700 is bounded by M Street, S.E., on the north, South Capitol Street on the west, Half Street, S.E., on the east, and N Street, S.E., on the south. Van Street bisects the square, running in a north-south orientation. The Property is located in the eastern portion of the square, with frontage on M Street, N Street, Half Street, and Van Street. The subject property is included within the CR District and is located in the CG Overlay District.

Through Z.C. Orders Nos. 08-30 and 08-30A, the Zoning Commission approved redevelopment of the subject property with a mixed-use building measuring 110 feet in height and containing approximately 288,242 square feet of residential use, approximately 369,292 square feet of office use and approximately 51,624 square feet of retail use. The footprint of the approved building occupies the entirety of the subject property and consists of two primary sections: a northern section consisting of office and ground floor retail uses fronting on M Street and a southern section consisting of the residential use as well as office and ground and second floor retail uses. A dedicated 30-foot wide pedestrian right of way running in an east-west orientation separates the two sections of the approved building.

The Applicant acquired all of the lots comprising the subject property with the exception of the northernmost lot, Lot 873. The Applicant's portion of the subject property comprises the land on which the southern portion of the approved building and the pedestrian right of way would be located. The Applicant proposes to modify only that portion of the approved building located on the Applicant's portion of the subject property. No changes are proposed to the design and uses for that portion of the approved building located north of the pedestrian right of way other than the location of the building connection.

This public hearing will be conducted in accordance with the contested case provisions of the Zoning Regulations 11 DCMR § 3022.
