To the Board of Zoning Adjustment,

My name is Britt Stone and I live in Mount Pleasant on Adams Mill Road with my husband, Louis, and dog, Amigo. After saving for many years, we bought a home here 3 years ago to start our family and plan to be here for decades to come.

Before living here, we would bike (with Amigo!) across the city on Saturday mornings to this neighborhood and Rock Creek Park. We are incredibly excited about the possibility of RCC because we both grew up in the downtown neighborhoods major cities (Boston and Dallas) without access to nature unless it was an hour drive outside of the city. Those visits were few and far between with our families.

After a really tough year, we are finally expecting (due in April!). Community is really important to us and having an inclusive space for both families with kiddos (and no kiddos!) that anyone here can enjoy next to our very own National Park is what makes the idea of this place so exciting and one of the reasons that we are not considering leaving the city as our family (hopefully!) grows.

We love the idea of being able to bike or hike up to a common space with our friends and neighbors then spend that time outdoors together for years to come. We hope you'll consider this adjustment!

Thank you in advance,
Britt Stone
