Hi! My name is Emily Roesing and I live in Mt. Pleasant with my husband Chido and our two kids, Amara (4) and Toby (2).

I am writing to express my strong support for the RCC. We have owned our home for 5 years and feel strongly about staying the diverse, urban environment where we live. That said, not having access to a community center, a third place with access to community, nature, activities, like this in Mt pleasant made it hard to not question raising our family in the city. We both grew up in the DMV suburbs with access to a lot of this.

We choose to live here instead because we prefer to walk, bike, and take the bus when we can and for the much richer life that a city can offer. I appreciate that this is a location attempting to add something truly new and needed in a creative way.

Thank you for your consideration,
Emily
