My family and I have proudly called Mount Pleasant home since 2010. Our two kids attend Bancroft and Deal and raising them here has been a wonderful experience. We strongly support the Rock Creek Club because we believe it can bring together people from all walks of life in Mount Pleasant and the surrounding neighborhoods. It would be a shared space where kids can play outside and enjoy activities and where people can meet and strengthen the bonds of our wider community. Like so many families nearby we could easily walk there and it would feel like a natural extension of the neighborhood. Great neighborhoods thrive on having a variety of places to gather and things to do and this club would make our area even more vibrant. Outdoor spaces like this are hard to find in the city and we love that the club would preserve and care for such a beautiful green space. We truly believe the Rock Creek Club would add tremendous value to the area and has the potential to become part of our community's story for generations of neighbors to come.
