Dear Members of the BZA and ANC 3C,

I am writing to express my strong support for Rock Creek Club's special exception application. I have lived in Washington, DC, for 12 years and reside at 1770 Park Road NW in Mount Pleasant with my husband and our three young children: a four-year-old and two-and-a-half-year-old twins. Raising three young kids in the city is an adventure, to say the least!

Having grown up in the suburbs, I recognize how important it is for children to have safe places to play, build friendships, and develop a sense of belonging. Mount Pleasant is a fantastic neighborhood, but finding opportunities for families to connect and spend time together can be challenging.

I believe Rock Creek Club would be a tremendous addition to our community. It would provide a welcoming, safe environment where my children and other neighborhood kids could play, make friends, and grow up together. Just as importantly, it would create opportunities for parents and neighbors to form meaningful relationships and strengthen the sense of community that makes Mount Pleasant such a special place to live.

Rather than having a large mansion remain a private residence with limited benefit to the surrounding community, this proposal offers an opportunity to transform the property into a shared neighborhood asset. A space that brings families together would be a meaningful contribution to Mount Pleasant and help make raising children in Washington, DC, even more rewarding.

I respectfully encourage you to support Rock Creek Club's special exception application and help make this vision a reality for our neighborhood.

Sincerely,

Board of Zoning Adjustment
District of Columbia
