Hello,

My name is Amy Qin, and I am writing alongside my husband, Brett Gerson (CC'd). We live at 3213 Adams Mill Road NW with our two daughters and are writing to express our enthusiastic support for the proposed Rock Creek Club.

After living abroad for years, moving to Mount Pleasant to start our family and our lives in DC has been an absolute joy. This is a remarkably tight-knit community—a place where people from all backgrounds come together to build something far greater than just a neighborhood of homes. We love everything about Mount Pleasant: our neighbors, the block parties, the vibrant main strip, Bancroft Elementary, the local library, and annual traditions like the lantern walk and Halloween celebrations.

The only thing that could make Mount Pleasant even better is a neighborhood hub like the Rock Creek Club. Having a local space to gather with friends and neighbors—and where our kids can swim, play outside, and stay off screens—would be transformative. Right now, we frequently drive to other parts of the city just to access pools and recreational spaces. Having these amenities within walking distance of our home would be a massive benefit to our family and the entire community.

We strongly urge you to approve this project and look forward to seeing the Rock Creek Club come to life.

Warm regards,

Amy Qin & Brett Gerson
