Hi,

I live in Mount Pleasant and write to enthusiastically support the Rock Creek Club. We are a family of 5 within walking distance of the proposed community center. While Mount Pleasant is centrally located within DC, and we love our neighborhood, we lack a community pool or other place to congregate other than our elementary school, Bancroft, which is often used by after school programs. To find green spaces, swimming, or tennis, we have to travel to other neighborhoods, or in some instances outside of the city entirely. With the federal government closing down the tennis centers both at Rock Creek and East Potomac, I am grateful to the team that put together this proposal together to bring tennis back to the heart of the city. I hope the board approves the zoning application to bring this wonderful idea for a community based recreation center online as soon as possible.

Best,
Nicholas Bamman
