Hi there,

I'm writing in support of the Rock Creek Club and its application for a zoning special exception. My family of 2 adults and twin 5-year-olds lives in Mt Pleasant and the Rock Creek Club will be an amazing home base from which we can gather with friends, make new ones, enjoy nature, and build community. Importantly, because of its location, I envision walking to Rock Creek Club because it's situated right in between my home and many of the community assets we currently utilize or plan to utilize in the future, including Adas Synagogue and our zoned middle and high schools. I'm excited about the prospect of linking two communities on either side of Rock Creek Park through the Rock Creek Club and encourage your support of its application.
