Dear Members of the Board of Zoning Adjustment and ANC 3C,

I'm writing in support of the Rock Creek Club (BZA Case 21510).

My husband, our 5-year-old daughter, and I live in Mt. Pleasant, and we love it here. Our daughter attends Bancroft Elementary, and we feel lucky to be part of such a warm community. We love raising our family in the city and having so much within easy reach, but there is one thing we've often wished for: a place close to home where we can be active, social, and outdoors together.

Rock Creek Club would be that place. We'd look forward to using it for fitness, time with friends and neighbors, kids' activities, and co-working. We plan to arrive by bike or on foot. In fact, we're teaching our daughter to ride a bike right now, and I can't wait for the day she pedals there herself.

Typically, you have to leave the city to find spaces like this. Having one right in our backyard, open to anyone who wants to join, is something we're truly excited about, for our family and for the whole community.

Thank you for your time and consideration.

Warmly,
Brittany
