To whom it may concern:

I'm writing in support of the Rock Creek Club. My wife, Sonia, and I live in Mount Pleasant with our two young daughters, and we're excited about the prospect of having a place like this right in our own backyard.

As parents of young kids, we're always looking for opportunities to get outside, spend time with friends, and help our girls build connections to RCP and the community around them. The Rock Creek Club would offer something special: a place where our family and neighbors can be active, socialize, and enjoy the outdoors together, without having to get in the car. We expect to visit primarily on foot or by bike, making it an easy part of our family's everyday life.

I hope you'll support this project. I think it would be a real asset to our neighborhood and a wonderful addition to the broader community.

Sincerely,
Joe Parilla
