Hello,

My name is Michael, and I live in Mt. Pleasant with my wife, and our two young children, Sophie (2.5) and Owen (6 months), and we're excited about the possibility of having Rock Creek Club right in our neighborhood.

One of the things we value most about living in DC is being part of a close-knit community, and we think RCC could be a wonderful place to build those connections. With two young kids, we're especially excited about having a place where they can grow up spending time outdoors, playing with other neighborhood children, and getting to know the families around them. It's rare to find a space that brings together nature, recreation, and community so close to home, without having to leave the city.

We expect to visit primarily on foot or by bike, and we're excited about the possibility of RCC becoming a regular part of our family's life and a place where we can connect with neighbors.

Thank you for helping make something like this possible for our community.

Best,
Michael
