Hi,

I live in Mount Pleasant with my husband and two young children, and I'm writing to you about the Rock Creek Country Club, which I believe would enhance our community and neighborhood. Neither my husband nor I grew up in Washington DC and we've wondered whether staying in the city was ideal while raising a family. A year ago we decided to go all in on building our life in DC and bought a house in Mount Pleasant. We love the community we have around us, and believe that our relationships and ties to the city would only deepen with a space like RCC. We'd love to have a place where we could ride our bikes with our kids and let them run around and play with friends, while we enjoy time with our friends as well.

Thank you for making this possible in our neighborhood!

Best,
Caroline
