Dear Members of the Board of Zoning Adjustment and ANC 3C Commissioners,

I'm writing in support of Rock Creek Club's application for a Special Exception in BZA Case 21510.

My name is Garrett Lam, and I live in Mt. Pleasant close to the zoo with our two daughters.

Community and access to nature are hugely important to our family. Too often, finding a space like this means leaving the city. Rock Creek Club would give us one right in our own backyard, a place where anyone can join and be active, social, and outdoors with friends and neighbors. Converting Greystone into a shared community asset feels like exactly the kind of thing that makes DC a better place to live, and something that can be enjoyed for generations. As a member of Rock Creek Club, I generally plan to walk there, which is one of the things I love most about it: it's truly a neighborhood place.

Thank you for your time and consideration. I hope you can approve the exception.

Garrett Lam
