To whom it may concern,

Reaching out to share the strong support of my husband and me (Harry Edwards & Kate Stotesbery), who live in Mount Pleasant at 2033 Park Road NW (with our dog Pippin), for the Rock Creek Club.

As a young family who has lived in DC for almost a decade and recently made the transition from renters to homeowners—making Mount Pleasant our long-term home—we are thrilled to be a part of the community and delighted that RCC is planned as a gathering spot for recreation that many can enjoy, in the heart of the natural beauty of Rock Creek Park.

We plan to join and to arrive by foot, since it is a quick <10 minute walk from our house. It is such a rare opportunity to be able to support a community space within our neighborhood, serving our neighbors, rather than have to plan our lives around commuting out of town to a club or recreation space. Particularly as people who don't own a car and love to walk as many places as possible or use public transportation, this is a lovely upside, and the ability to play sports, see friends, and be in nature nearby is really an exciting prospect offered by this club. RCC helps us envision our next decade for our family right here in Mount Pleasant and allows us to excitedly plan more and more.

We are happy to support this, glad that so many are pouring their energy into creating something new together, and appreciate your assistance in bringing it to life!

Best,
Kate
