Dear Members of the Board of Zoning Adjustment and ANC 3C,

I am writing to express my strong support for Rock Creek Club and its proposed use of the Greystone property.

My wife and I live in Mount Pleasant with our two young boys, ages 4 and 6. We love the outdoors and spend a lot of time exploring Rock Creek Park as a family.

What particularly excites us about Rock Creek Club is the opportunity to have a welcoming, family-friendly community space surrounded by nature, yet within walking or cycling distance of our home. We would expect to visit primarily on foot or by bike. Having access to a place like this without needing to drive or leave the city is a tremendous appeal.

We believe Rock Creek Club would be a wonderful addition to the neighborhood, bringing families and neighbors together around outdoor activities, recreation, and a shared appreciation for nature.

I wholeheartedly support the project and hope you will approve the requested special exception.

Sincerely,

Henrik
