RE: **BZA Case 21526**, 2427 Chain Bridge Road NW

Dear Chair Pourciau and Members of the Board:

ANC 3D writes in support of a special exception in the above-referenced case. At its duly noticed, regularly scheduled public meeting on November 4, 2026, with a quorum (4) present at all times, Advisory Neighborhood Commission 3D voted 6-1-0 to approve this letter.

The owner seeks a special exception to widen a driveway in order to enlarge this home's garage to accommodate two vehicles. The area to be widened takes place entirely on private property and the adjoining public space will not be changed, including the public parking directly in front of the home. The applicant seeks relief from maximum width requirements for this driveway. This change will not negatively impact neighbors and will be in keeping with the overall character of the neighborhood. ANC3D supports this application.

Sincerely,

Bernie Horn, Chair
