RE: INTERNAL ANALYSIS REPORT

In response to the Commission's request in FY 2025, the Office of Zoning analyzed outcomes associated with the Commission's use of the Racial Equity Tool (as revised February 3, 2023) and generated an internal report to highlight its findings. The internal report is included in the case record for the public to view in conjunction with the upcoming roundtable; the report was originally finalized and shared internally with the Commission and OZ staff on September 30, 2025.
