Dear Patricia A. Malloy,

We own the vacant lot 4813 A ST NE, Washington DC 20019 which is in R-2 zone and requires Lot area/ Width and Side yard variance to develop this project. We plan to submit an application to BZA for obtaining these variances for this property to build a single family house. Please see the attachment of elevations and floor plans and let us know if you have any comment.

Respectfully,
