Hello Meghan,

The District of Transportation (DDOT) aims to minimize conflict points between vehicles, pedestrians, and bicycles and encourages Applicants to handle loading and vehicle parking off of alleys or low volume streets. So Others May Eat (SOME) does not have alley access and thus would need to apply for a curb cut on North Capitol Street NE. North Capitol Street NE is a major arterial and a curb cut at this location would create additional conflict points that pose a safety risk to all mode users, thus DDOT does not support a curb cut at this location.

Thank you,  
Kelsey
