Dear Ms. Schellin:

On Monday, October 15, 2018, the Office of Planning (“OP”) submitted its report recommending the Commission set down the Map Amendment Petition for the above-referenced Property. OP also recommended a Text Amendment associated with the Map Amendment in the set down report. The Applicant has no objections to the Text Amendment as proposed in OP’s set down report and requests that the Commission set down both the Map and Text amendments at the upcoming October 22, 2018 public meeting.

Please feel free to contact me at (202) 721-1138 if you have any questions regarding the above.

Sincerely,

Meghan Hottel-Cox
