Re: BZA Application for 1400 Montana Avenue NE, BZA Application # 19960 - Letter in Support

Dear Chairman Hill and Members of the Board,

I live near the property and understand there is a new project being proposed. The pictures look beautiful and I think they will do a wonderful job. We need new housing here, including some affordable housing. This project will add that and should be approved as soon as possible. Please let me know if you need any more information from me.

Thank you for your time and attention to this matter.
