441 4th St NW,
Washington, DC 20001

Regarding: 1128 6th St. NW1BZA Application for special exceptions
Document upload waiver

Dear BZA Board Members;

We would like to ask the board for a waiver to upload additional information, less than 21 days before the hearing, regarding to the special exceptions case for 1128 6th Street NW. The project went through historic review board and the penthouse addition is denied by HPRB. As a result of this we updated the BZA application to remove the request from penthouse rear setback relief.

In summary the new uploaded documents are to reflect the changes are:

- Drawings
- Burden of proof
- Form 135 self-certification

Best regards,

Owner
