Good afternoon,

My family lives a couple of blocks from this proposed redevelopment and live within bounds of the ANC. We 100% support this design, chance to redevelop the land, and are excited to see it move forward! From what's been presented at the ANC meeting and from what we've seen, it's an excellent use of the land and is a big improvement over the current fast food restaurant.

We hope to see everything approved.

Kind regards from the neighbors,
