Subject: RIVER SCHOOL

Some people who received this message don't often get email from wbwsp13@gmail.com. [Learn why this is important](#)

CAUTION: This email originated from outside of the DC Government. Do not click on links or open attachments unless you recognize the sender and know that the content is safe. If you believe that this email is suspicious, please forward to phishing@dc.gov for additional analysis by OCTO Security Operations Center (SOC).

Please do not approve the zoning request made by the River School.

This immediate area already has several schools. There is also already substantial school-related traffic – as well as much regular rush-hour traffic. Many young children walk through this area every school day - and more traffic would mean more chances for potential harm to them from traffic. The school can certainly find some other location that is more conducive to their needs and will not seriously disrupt the neighborhood,

Thanks.
