Dear Commissioners:

We are in receipt of the letter filed by party-opponent Friends of McMillan Park on June 11, 2014. Pursuant to section 3024.3, Vision McMillan Partners ("Applicant") advises that, if the Commission finds it necessary to ask questions of the Applicant at its meeting on July 28, 2014, the Applicant has no objection to cross-examination by any parties to the proceeding.

Respectfully submitted,

Holland & Knight LLP
