ZONING COMMISSION FOR THE DISTRICT OF COLUMBIA
NOTICE OF PUBLIC HEARING

TIME AND PLACE: **Monday, December 19, 2005, 6:30 P.M.**
Office of Zoning Hearing Room
441 4th Street, N.W., Suite 220-South
Washington, D.C. 20001

FOR THE PURPOSE OF CONSIDERING THE FOLLOWING:

CASE NO. 03-12A/03-13A (Capper/Carrollsburg – Phase 1 Final Approval and Modifications to the Consolidated and Preliminary PUDs – Capper/Carrollsburg Venture, LLC and the D.C. Housing Authority)

THIS CASE IS OF INTEREST TO ANC 6D

On April 29, 2005, the Office of Zoning received an application from the Capper Carrollsburg Venture, LLC, on behalf of the District of Columbia Housing Authority. The Applicant is requesting (1) final approval of Phase I of a planned unit development (PUD) under the existing R-5-B District; and (2) modifications to the preliminary and consolidated Capper/Carrollsburg PUD approved by Commission Order No. 03-12/03-13. The Office of Planning provided its report on September 2, 2005, and the case was set down for hearing on September 15, 2005. The Applicant provided its prehearing statement as part of its application on October 7, 2005.

The property that is the subject of the request for final approval consists of approximately 122,610 square feet of land area. The property is part of the larger PUD approved for the redevelopment of the Capper/Carrollsburg project. This portion of the project includes parts of the blocks bounded by 3rd, 4th K and M Streets (Square 799, lots 44-50) and Square 800, lots 20, 25-28, 816 and 818-820) and the east side of 5th Street between K and L Streets, S.E. (Square W881, the western part of Lot 800). The subject property is currently zoned R-5-B.

The Applicant proposes to construct 91 residential units on Squares 799 and 800 and a community center, including a day care center and recreation center, on the 5th Street property. The residential units will be 3 to 4 stories in height and the community center will be 2 stories and approximately 35 feet in height. The residential buildings will contain approximately 150,000 square feet of gross floor area and the community center will contain approximately 28,500 square feet of gross floor area.

The Applicant also requests certain modifications from the conditions applicable to the preliminary and consolidated PUDs in Order No. 03-12/-03-13. The Applicant proposes to: (1) allow purchasers of the fourteen foot wide and sixteen foot wide residential units to have the option to change the two car garage to a one car garage and a first floor recreation room; (2) related to No. (1), reduce the approved parking requirements for some of the low-rise residential structures from 2 spaces per unit to 1 space per unit; (3) increase the overall residential density from 2.21 FAR to 2.34; (4) change the timing of the application for a building permit for the community center to eight months after the issuance of the Zoning Commission's order approving the community center; (5) increase the height of the community center to 35 feet and reduce the setback requirements for its roof structure, and; (6) move the location of 3rd Place approximately fourteen feet to the east of the location shown on the approved plans, and reduce open court widths in Square 799 so as to eliminate the need for the Applicant to acquire private homes in Square 798

The R-5-B District permits residential development as a matter-of-right, to a maximum lot occupancy of 60%, a maximum FAR of 1.8 and a maximum height of 50 feet. Under Chapter 24, the guideline for height in a PUD is 60 feet and the guideline for FAR in a PUD is 3.0.

This public hearing will be conducted in accordance with the contested case provisions of the Zoning Regulations, 11 DCMR § 3022.

How to participate as a witness.

Interested persons or representatives of organizations may be heard at the public hearing. The Commission also requests that all witnesses prepare their testimony in writing, submit the written testimony prior to giving statements, and limit oral presentations to summaries of the most important points. (h) The total amount of time being requested to present their case; and

(i) A written statement setting forth why the person should be granted party status, including reference to the following:

(4) The economic, social, or other impacts likely to affect the person and/or the person's property if the action requested of the Commission is approved or denied; and

(5) An explanation of how the person's interest as identified in response to paragraph (4) would likely be more significantly, distinctively, or uniquely affected in character or kind by the proposed zoning action than those of other persons in the general public.

The information shall be filed no later than fourteen (14) days before the date of the hearing.
