Re: Design of Sidewalks on M and 2nd Streets, S.E. for
Zoning Commission Case No. 03-12C and 03-13C

Dear Members of the Commission:

The District's Department of Transportation (DDOT), on October 31, 2006, met with members of the design team for the office building at 250 M Street, S.E. and the Applicant's sidewalk and landscape plan. At that meeting, members of DDOT made recommendations to the design team to facilitate compliance with DDOT standards.

On December 6, 2006, we reviewed the revised sidewalk and landscape plan and find that the Applicant has incorporated our recommendations into its sidewalk and landscape plan. Thus, we have no objections to the Applicant's revised sidewalk and landscape plan.

Sincerely,
