**Re: Case No. 03-12G/03-13G,
Request for Extension of Time on Start of Community Center**

Dear Chairperson Hood and Commissioners:

ANC 6D is writing to request a delay in your consideration of the above referenced item, a request for an extension of the time period required for a building permit on the community center associated with the Capper/Carrollburg Hope VI PUD, which the Commission has previously approved.

We are asking for the postponement from the October 20th Commission meeting because the ANC's next meeting also falls on October 20th, a week later than usual because of the Columbus Day holiday, and we will not be able to consider the issue and submit comments to the Commission in a timely fashion. We would appreciate the opportunity to do so.

ANC 6D trusts that the Zoning Commission will give its views great weight. Thank you for your consideration.

Sincerely,

Roger Moffatt
Chair

Sharon -

Here's the letter from the ANC asking for a postponement on consideration of the extension of time on the Capper/Carrollsborg community center building permit.

I spoke with Kyrus Freeman and he told me you can look forward to a response!

Nice speaking with you this morning -
