Re: Z.C. Case No. 03-12G/03-13G – Request for Two Year Extension Open Record

Dear Chairman and Board Members:

ANC 6D is requesting that the hearing record for **Z.C. Case No. 03-12G/03-13G** remain open until September 16, 2011. ANC 6D only recently received confirmation from the applicant's representatives of the exact hearing date. We did not receive as we normally do, any notification for Zoning regarding when the hearing date was scheduled.

ANC 6D will be not be in a position to render a final decision regarding this matter until our full ANC meeting, which will be on the night of your hearing, September 12, 2011. The Commission wants to comment on this matter but cannot until after hearing from the applicant before the full Commission. Therefore, we ask that the hearing record remain open until September 16, 2011 in order for us to have sufficient time to complete our discussions and transmit our comments to you.

We hope the Zoning Commission can accommodate the Commission in this regard.

Please notify the Commission if you have any questions or comments. Thank you in advance for your understanding of our situation.

Sincerely,

Bert Randolph

Executive Director, ANC 6D
