Re: Motion to Reschedule Hearing in BZA 13991A

Dear Chairman Hill:

We write¹ pursuant to 11 DCMR § Y-407 to request that the hearing in BZA 13991A (for 522½ K St. NE) be rescheduled to a later date.

The hearing in this case is currently scheduled for September 20, 2017. For multiple reasons, ANC 6C respectfully asks that the hearing be postponed:

- Both the 6C commissioner for the relevant single-member district (Commissioner Heather Edelman of ANC 6C06) and the chair of ANC 6C's planning and zoning committee (Commissioner Mark Eckenwiler of ANC 6C04) are unable to attend the Commission's next meeting (on September 13) and thus unavailable to deliberate and vote on this case before October. Both wish to do so.
- Commissioner Eckenwiler, who typically represents ANC 6C in matters before the Board, is also unavailable on the current hearing date, September 20.

ANC 6C will hold its next meeting thereafter on the evening of October 11. Accordingly, we request that the hearing be postponed to the following hearing date, October 18.

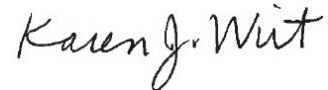

We note that ANC 6C has not previously requested rescheduling in this case, which was filed on June 13 and publicly noticed for hearing in the August 4, 2017 *Register* (64 DCR 7465). We also certify that we have served a copy of this motion today on the applicant, Curt Hansen, at the email address listed on the application.

¹ On July 12, 2017, at a duly noticed, regularly scheduled monthly meeting of ANC 6C, with a quorum of 6 out of 6 commissioners and the public present, the Commission voted 6-0 to adopt the positions set forth in this letter.

Finally, so that the Board may hear from the parties in person if necessary, we respectfully request that the Board take up this motion at its September 6 meeting. Commissioner Eckenwiler is authorized to represent the ANC before the Board in connection with this motion.

Thank you for giving great weight to the views of ANC 6C.

Sincerely,
