re: BAZ Appeal No. 17249

Sir:

I am a Foggy Bottom resident-owner (since 1985).
I want to be able to access/use the commercial venues on the George Washington University (GWU) campus.

As you are aware, the expansion of the GWU campus has resulted in the loss/limitation of commercial venues in the neighborhood.

It is only fair/just that remaining, or new commercial venues on campus be available to us.

I do not wish to have to travel into other areas of the city, or Virginia to purchase goods/services available within blocks of my residence.

Vote for public access/use of commercial venues on the GWU campus.

Thank you for your consideration.

Sincerely yours,
