NOTICE OF REVOCATION OF
CERTIFICATE OF OCCUPANCY NUMBER 33914

This is official notice that the District of Columbia Department of Consumer and Regulatory Affairs (DCRA) revokes Certificate of Occupancy #33914, effective ten (10) days from the date of service of this notice. This action is taken pursuant to 12A DCMR §110.5.3 (2004) authorizing the Director to revoke a Certificate of Occupancy that has been issued in error.

On May 14, 2002, the Department issued to Kuri Brothers Inc. Certificate of Occupancy #33914 (C of O). The C of O authorized Kuri Brothers Inc. to use the premises located at 4225 Connecticut Ave., N.W., a C-3-A zone district, as an automobile service center. Subsequent to the issuance of the C of O, DCRA concluded that an automobile service center was not an appropriate use in a C-3-A zone. It then revoked C of O #B00181657 for automobile service center issued to Kuri Brothers several years earlier for that same operation at a different location, 4221 Connecticut Avenue, NW. On July 1, 2003, in BZA Appeal No. 16947, the Government of the District of Columbia Board of Zoning Adjustment upheld DCRA's decision to revoke C of O #B00181657.

DCRA records disclose that Kuri Brothers Inc. continues to operate an "automobile service center" at 4225 Connecticut Avenue, NW, in a C-3-A zone district, under the May 14, 2002 C of O. In light of the July 1, 2003 BZA decision, DCRA revokes C of O

#33914. Kuri Brothers Inc. is directed to discontinue the unauthorized use of the property, effective ten (10) days from the date of service of this notice. Should it be discovered that Kuri Brothers Inc. is continuing to operate the automobile service center after the effective date of this revocation, DCRA will initiate legal proceedings against it without further notice.

You are invited to submit comments and/or objections to the subject Notice of Revocation at least **two (2) days prior to the effective date** of the revocation by delivering them to the Acting Zoning Administrator, Neil A. Stanley, 941 North Capitol Street, N.E., Suite 2000, Washington, D.C. 20002. Notwithstanding the delivery of comments and/or objections, your C of O is revoked ten (10) days from the date of service of this notice unless you are notified by the Acting Zoning Administrator that the revocation is rescinded.

RIGHT TO APPEAL

You have the right, pursuant to 11 DCMR § 3200.2 (2003) and 12A DCMR § 110.6 (2004), to appeal this decision to the BZA. Should you decide to appeal DCRA's decision, your appeal must be made pursuant to the requirements set forth in the District of Columbia Zoning Regulations, D.C. Mun. Tit 11 (2004), and must be filed at the Office of Zoning, Board of Zoning Adjustment, 441 Fourth Street, N.W., Suite 210S, Washington, D.C. 20001.

If you decide to appeal, please send a copy of your appeal, pleading or written communication to the Zoning Administrator at DCRA, Office of the Zoning Administrator, 941 North Capitol Street, N.E., Suite 2000, Washington, D.C. 20002.

If you have any questions, you may contact my office at (202) 442-4576.

From: Glenn J. Wolf
Re: Van Ness Auto Care/Chris Kuri

I am writing this at the request of Van Ness Auto Care, who has been a wholesale customer of Olympic Auto Parts since 1991.

The nature of the parts we supply to Van Ness Auto Care are characterized in the trade as "light repair" items. They purchase parts for automobiles and light trucks. The distinction of "light repair" items refers to the **type of repairs they perform.**

Based on the parts Van Ness purchases from Olympic, specifically, they include the following categories and parts:

- Tune-up parts: (Spark plugs, wire sets, ignition items.)
- Brake parts: (Brake pads and shoes, brake rotors, and calipers.)
- Cooling system: (Water pumps, fan belts, thermostats, and hoses.)
- Exhaust systems: (Mufflers, tailpipes, catalytic converters.)
- Suspension parts: (Tie rods, ball joints, control arms, shock absorbers.)
- Timing parts: (Timing belts, tensioners.)
- Hydraulic parts: (Brake and wheel cylinders.)
- Electrical parts: (Starters, alternators, oxygen sensors, and switches.)
- Other general repair items: (Wheel bearings and seals.)

In the automotive repair industry, which I have been involved in for over thirty-five years, "heavy-duty" repairs include (but are not limited to): engine and transmission rebuilding, repairs to heavy trucks and equipment, body work, and most remanufacturing processes. To my knowledge, and according to our records, Van Ness Auto Care does not purchase any parts from Olympic of this nature.

If you have any questions concerning this letter, I can be contacted by phone at: (land) 301-345-4131, (cell) 240-375-3637, or e-mail {gjwolf@comcast.net}.

Very truly yours,

Glenn J. Wolf– President, Olympic Auto Parts

PUBLIC HEARING

TUESDAY

JANUARY 28, 2003

+ + + + +

The Public Hearing convened in Room 220 South, 441 4th Street, N.W., Washington, D.C. 20001, pursuant to notice, at 11:30 a.m., Geoffrey H. Griffis, Chairperson, presiding.

fact that the work being done in the 21 bays is simply incidental to installing things that people buy.

So it's a very interesting hypothetical question, but -- and we take the position that there was no such category they could have issued.

CHAIRPERSON GRIFFIS: Right.

MR. BARDIN: But the fact -- You have to decide cases in terms of the facts of the case. You're not writing laws here. You're not passing regulations.

CHAIRPERSON GRIFFIS: I agree.

MR. BARDIN: You are not the Zoning Commission. So I don't think anything is going to turn on that issue that you are now discussing.

CHAIRPERSON GRIFFIS: It is going to turn on it, because the pertinence of what the appeal is based on goes to what the intent -- why the certificate of occupancy was actually revoked, and maybe I am wasting people's time, but I am not clear on this, what the definitive element is that will be the substance of the appeal. And that is --

MR. BARDIN: As I --

CHAIRPERSON GRIFFIS: Let me just hear from Mr. Green briefly. Then I'll stop this.

MR. GREEN: All right. Again, and I

direct the Board's attention to the notice of intent to revoke the certificate of occupancy.

What took place was simply an attempt at accommodating a business merchant. In this particular instance, we have something called an automotive service center at the premises, and it was the understanding between what was represented to the agency by the Appellant that he wanted to install and sell small auto parts, and at that time the understanding was, well, maybe a light bulb here or there, and that was it.

CHAIRPERSON GRIFFIS: Okay. Without getting too far into a lot of detail.

MR. GREEN: Yes, I understand. Now doing major auto engine repair work did not fall within the scope of this understanding. Consequently, we have the issuance of this notice of intent to revoke the certificate of occupancy.

CHAIRPERSON GRIFFIS: Because of the operating outside the scope?

MR. GREEN: He operated outside the scope.

CHAIRPERSON GRIFFIS: Okay, that's all I need.

MR. GREEN: That's it.

CHAIRPERSON GRIFFIS: Good. Everyone
