Re: Appeal of Kenneth A. Kessler, BZA Appeal No. 17567;
Notification of Withdrawal of Appeal

Dear Mr. Nero:

Bill Crews, Zoning Administrator, Department of Consumer & Regulatory Affairs, advises that the building permit underlying the above-referenced appeal, No. B73714, has been revoked, effective January 18, 2007. Relying on this representation, this letter is to notify you that we are withdrawing the appeal, but without any prejudice to our right to oppose construction on the subject property at Square 1397, Lot 1008, also known as 4818 Foxhall Crescent, N.W., including but not limited to opposing any challenge that might be lodged by others to the revocation of Permit No. B73714.

In view of the administrative revocation of the permit, and considering the obvious clerical error which led to its issuance and the protracted length of time required by DCRA to revoke the permit, on behalf of my client I ask the Office of Zoning for special consideration in the form of a return of his \$800 filing fee, if at all possible.

Thank you for your attention to this matter, and for your consideration of my client's special request.

Sincerely yours,

Andrew M. Strongin
