

GOVERNMENT OF THE DISTRICT OF COLUMBIA
Board of Zoning Adjustment

Application No. 17574 of Nineteenth Street Baptist Church, pursuant to 11 DCMR § 3104.1, for a special exception to establish an accessory parking lot under section 214, in the R-1-B District at premises rear 4606 16th Street, N.W. (Square 2652, Lot 22).

HEARING DATE: March 13, 2007

DECISION DATE: April 17, 2007

SUMMARY ORDER

SELF-CERTIFIED

The zoning relief requested in this case was self-certified, pursuant to 11 DCMR § 3113.2.

The Board provided proper and timely notice of the public hearing on this application by publication in the D.C. Register, and by mail to Advisory Neighborhood Commission (ANC) 4C and to owners of property within 200 feet of the site. The site of this application is located within the jurisdiction of ANC 4C, which is automatically a party to this application. ANC 4C's initial report opposed the original application. However, in post-hearing submissions, the applicant addressed the ANC's concerns and the ANC submitted a report in support of the revised application. The Office of Planning (OP) also submitted a report in support of the application.

As directed by 11 DCMR § 3119.2, the Board has required the Applicant to satisfy the burden of proving the elements that are necessary to establish the case pursuant to § 3104.1, for special exception under section 214. ANC 4C, the only party initially in opposition to the original application, ultimately supported the revised application. Accordingly a decision by the Board to grant this application would not be adverse to any party.

Based upon the record before the Board and having given great weight to the OP and ANC reports, the Board concludes that the Applicant has met the burden of proof, pursuant to 11 DCMR §§ 3104.1 and 214, that the requested relief can be granted being in harmony with the general purpose and intent of the Zoning Regulations and Map. The Board further concludes that granting the requested relief will not tend to affect adversely the use of neighboring property in accordance with the Zoning Regulations and Map.
