

GOVERNMENT OF THE DISTRICT OF COLUMBIA
Board of Zoning Adjustment

Application No. 17575 of 4620 Iowa Avenue Cooperative Assn., Inc., pursuant to 11 DCMR § 3103.2, for a variance from the minimum lot area requirements under subsection 401.3, and a variance from the off-street parking requirements under subsection 2101.1, to add a residential apartment unit to the first floor of an existing apartment building in the R-4 District at premises 4620 Iowa Avenue, N.W. (Square 2814, Lot 800).

HEARING DATE: March 13, 2007
DECISION DATE: March 13, 2007 (Bench Decision)

SUMMARY ORDER

SELF-CERTIFIED

The zoning relief requested in this case was self-certified, pursuant to 11 DCMR § 3113.2.

The Board provided proper and timely notice of the public hearing on this application by publication in the D.C. Register, and by mail to Advisory Neighborhood Commission (ANC) 4C and to owners of property within 200 feet of the site. The site of this application is located within the jurisdiction of ANC 4C, which is automatically a party to this application. ANC 4C submitted a late report in support of the application. The Board waived its rules to accept the late filing into the record. The Office of Planning (OP) also submitted a report in support of the application.

As directed by 11 DCMR § 3119.2, the Board has required the Applicant to satisfy the burden of proving the elements that are necessary to establish the case pursuant to § 3102.2, for variances from § 401.3 and § 2101.1. No parties appeared at the public hearing in opposition to this application. Accordingly a decision by the Board to grant this application would not be adverse to any party.

Based upon the record before the Board and having given great weight to the ANC and the Office of Planning reports filed in this case, the Board concludes that the applicant has met the burden of proving under 11 DCMR §§ 3103.2, (401 and 2101) that there exists an exceptional or extraordinary situation or condition related to the property that creates a practical difficulty for the owner in complying with the Zoning Regulations,

and that the relief can be granted without substantial detriment to the public good and without substantially impairing the intent, purpose, and integrity of the zone plan as embodied in the Zoning Regulations and Map.

Pursuant to 11 DCMR § 3101.6, the Board has determined to waive the requirement of 11 DCMR § 3125.3, that the order of the Board be accompanied by findings of fact and conclusions of law. It is therefore **ORDERED** that this application (pursuant to Exhibit No. 7 – Plat and Plans) be **GRANTED, SUBJECT** to the following **CONDITIONS**:

1. The applicant shall remove the two curb cuts in front of the existing garage entrances.
2. The applicant shall store the trash bins in the abandoned garage space and roll the bins down the sidewalk for removal on public trash pick-up day until the applicant receives permission from the Public Space Office to locate the trash bins outdoors.
