drawing that is the only one in DCRA's file, which now appears *not* to have been the one that the former Zoning Administrator reviewed.) The drawing was "Attachment 1" to something, and the full document, along with the other correspondence, should be part of the record.

Although Mr. Harnett understood that the Board was requiring the correspondence to be produced, that has not been done and it has not been filed in the record in this case. Mr. Harnett respectfully requests that WHCA be required to produce this immediately and that it be included in the record for this appeal.

Similarly, correspondence that DCRA has had with nonparties to this appeal should be included. This includes an email that DCRA's counsel apparently disseminated generally, asking for witnesses to come and support the former Zoning Administrator on this appeal. (This is what led to Lindsley Williams' appearance on July 17, 2007).

Respectfully Submitted,
