William J. Harnett,
Appellant,

Appeal No. 17615

2007-07-04 14:39

The Respondent District of Columbia (hereinafter “District”), by and through undersigned counsel, respectfully moves this Board, pursuant to Rule 3117.3 of the Board of Zoning Adjustment Rules of Practices and Procedures, to enlarge the September 7, 2007 deadline for the District to file its Proposed Findings of Fact and Conclusions of Law until September 11, 2007. As a basis for the District’s Motion, the District submits that additional time is needed because agency personnel and supervisory personnel have been out of the office and unavailable for review.

On September 7, 2007, Vernon Johnson, III, counsel for the Appellant, and Joseph Lapan, counsel for the Intervener, each consented to this Motion.
