BZA Appeal No. 17747

The District of Columbia Department of Consumer and Regulatory Affairs

(“District” or “Appellee”), by and through Undersigned Counsel, respectfully moves this Honorable Board to continue the hearing in this matter to the next available hearing date.

The basis for this motion is on April 29, 2008, Zoning Administrator Matt LeGrant is unavailable to appear at this hearing because he is attending a zoning conference in another jurisdiction. Moreover, Mr. LeGrant is one of the presenters at the conference. Additionally, the District purchased his plane fare and hotel accommodations. If this Board denies the District's request, Mr. LeGrant's failure to attend the conference would significantly disrupt the seminar. Since the Appellant's appeal is based on the decision of the Zoning Administrator to deny the issuance of a building permit to allow reconstruction of a portion of a pre-existing one-family dwelling at 5013 Belt Road, N.W., the hearing cannot proceed without his presence.

Prior to filing this motion, the District sought the consent of Appellant, but the Appellant did not consent. Therefore, the District requests that this Honorable Board grant its motion and continue the hearing to the next available hearing date.

Respectfully submitted,
