Dear Director Kress,

The Capitol Hill Restoration Society Zoning Committee at a meeting held on November 13, 2008 considered the above case. The case involves the application of the D C Teacher's Federal Credit Union for a use variance to allow the continued use of the former Edmonds public school for general office use in the R-4 District at 901- 903 D Street, N E

I drove by the property today and noticed the it is not posted as is required by 3113.14 I request that the hearing in this matter be postponed until the applicant properly posts the property and provides the proof required by 3113.19

Respectfully,

Gary M. Peterson, Chair
Capitol Hill Restoration Society
Zoning Committee
