RE Report of DCTFCU to DC BZA for
BZA Case No. 17842 (901-903 D Street, N.E.)

Dear Commissioner Holmes.

Please find attached the Report of the applicant D C Teachers Federal Credit Union which outlines the treatment projects and implementation schedules for the above referenced property. This Report has incorporated many of your Commission's suggestions for renovations to the mechanical (HVAC) equipment enclosures, landscaping, fencing and window treatments for the property at 901-903 D Street, N E The proposals in this Report represent a set of reasonable recommendations that can be financially accepted by DCTFCU for the improvement of their property. The DCTFCU appreciates the contributions made by you on behalf of the Commission to enhance the property's beauty and presence in the community

The individual project deadlines proposed therein were adopted by Board of Directors of the DCTFCU with consideration of the specific costs and the earliest dates possible for implementation given the current financial pressures facing the Credit Union and its members. Should the economy recover from its present downturn at a faster rate than current long-term projections, DCTFCU may be able to deploy the recommended items sooner than the deadlines contained in the Scheduled Chart for Project Implementation at Exhibit A of the Report

Sincerely,

Anthony M. Rachal III
