RE: BZA Appeal No. 17915, 1433 Parkwood Place NW (Square 2688, Lot 64)

Dear Mr. Nero:

It is the understanding of ANC 1A that construction at the abovementioned property, which began in May 2004 and continues to date, may have required a variance. At ANC 1A's public meeting held on April 8, 2009, the Commission voted to request that the Board of Zoning Adjustment investigate and report back to ANC 1A as to whether a variance was required.

In regards to the April 8, 2009 meeting, proper notice of the meeting was given. A quorum consists of six Commissioners; at the meeting, ten commissioners were present and voted to request the BZA investigation. ANC 1A requests a report on the variance requirement at 1433 Parkwood Place as we are concerned that proper procedures may not have been followed by the Department of Consumer and Regulatory Affairs (DCRA) inspectors.

ANC 1A makes this request for information in lieu of submitting a report.

Sincerely,

Cliff Valenti

Chairman, ANC 1A
