Re: Emory United Methodist Church, 6100-20 Georgia Ave. N.W., BZA # 17964

Dear Chairman Loud and Honorable Board Members

I am writing as a member of the Civil War Round Table of the District of Columbia (CWRT-DC) regarding the application of Emory United Church for the above-referenced zoning variance. I concur with the concerns raised by the CWRT-DC and respectfully ask that the Board carefully consider the CWRT-DC's statements before making any decision on the application.

In addition, I respectfully ask the Board to ensure that its decision is consistent with The National Historic Preservation Act, 16 U S C 470 *et seq*, and the regulations of the Advisory Council on Historic Preservation, 36 C F R, Part 800. Specifically, the Board should ensure that all federal agencies required to take action with respect to the proposal or its implementation have properly considered and reported to the Board regarding compliance with the National policy established by the Act and associated regulations to preserve, restore and maintain the historic and cultural environment of the United States.

Thank you for your consideration

Respectfully submitted,
