Subject: 4908 Quarles St. N.E. -- Building permit B111267

Mr. LeGrant,

I received a call from Mr. Nero last week and he is preparing to schedule an appeal hearing regarding 4908 Quarles St. N.E. -- Building permit B111267. He has been informed of our amicable resolution. I am prepared to send a letter formally withdrawing my appeal, however Mr Nero had also informed me that if he could get written correspondence from the Zoning Administrator's Office that the issue was due to an oversight by the Zoning Administrator's Office then I would be able to get a refund of my hearing fee. I would really appreciate any assistance you can provide in getting this done. If you need any information or clarification please feel free to contact me at 301-404-0157.

Thank you.

William Reaves
