To whom it may concern: I would like to apologize for getting and putting up the sign 6 days before the day of the meeting. I had to put my MOM in the hospital we did not know what was going on with her. The doctors did so many tests on my MOM through out all the tests my Mother left kidney was bad they had to make the decision to do emergency surgery. My Mother was in the hospital for a month. I just bought her home from the hospital. So now I am getting her a Physical Therapist and a Home Nurse Aide that must be with her for 8 hours 5 days a week. And with all that I have been praying and stepping on the devil to let him know he is nothing but a liar. So please excuse me for being late that is not my nature. I have done everything accordingly; we are in need of more and better childcare development centers. We have so many teenagers in our community that need childcare. We have people asking us everyday when will we be open they are more excited than we are. We have so much planned for our children in the community, we need to try and keep them off the streets. We cannot loose all of our babies to the streets, if we have positive things going on we can make a difference. I know that I cannot save everybody but I can try. My heart is so big that I am going to make a difference in more ways than one in somebody life and in our community. With your help and the help of the community we can start here. I would like to thank everyone for this opportunity especially: Mr. Nero, Ms. Sheila, and Ms. Elaine.

Thank You So Very Much,
