Re: Board of Zoning Adjustment Case No. 1-6027 Appeal of Mljpmet
Kocak and Philly Pizza & Grill Inc.

Dear Mr. Chairman and Members of the Board:

Rumi Forum was founded in 1999 with the mission to foster intercultural dialogue, stimulate thinking and exchange of opinions on supporting and fostering democracy and peace all over the world and to provide a common platform for education and information exchange. The Forum wants to contribute to this ultimate aim by means of conferences, panel discussions, projects, scholarships, publications and many other activities in conformity with scientific methods and universal democratic values.

We, the Rumi Forum, strongly support the Philly Pizza & Grill. The location of the restaurant is very convenient for us and we mostly host our guests at Philly. Besides, we use Philly Catering for the events we organize at our venue. We've chosen Philly mostly for the quality of the service and the taste of the unique food and deserts. It's not so easy to find the delicious special gyro of Philly at any other restaurants.

As we do not want to lose these advantages of Philly Pizza, we will be ready to to have any action to help them.

Sincerely,

Sitki Ozcan
Financial Administrator
