Subject: Zoning Adjustment Case No. 1-6027 Appeal of Mehmet Kocak and Philly Pizza & Grill Inc.

Dear Mr. Chairman and Members of the Board,

Turkish American Chamber of Trade Industry and Commerce (TACTIC-DC) is pleased to inform you that Mehmet Kocak, Philly Pizza & Grill, is an active member of TACTIC-DC. I would like to let you know that Philly Pizza offers Turkish ethnic foods and desserts which are served by only a few restaurants in the greater Washington DC area. We strongly recommend our members and guests to go Philly Pizza & Grill to taste authentic Turkish gyro, Turkish cuisine, and Turkish desserts. Our members and guests have always expressed their compliments about the way these foods and desserts prepared and served. They also let us know that they always feel at home whenever they go to Philly Pizza.

Turkish American Chamber of Trade Industry and Commerce(TACTIC-DC) was established by a group of businessmen and women as a non-profit and a non-political organization to promote economic prosperity of our region. TACTIC-DC helps its members extend their knowledge and foster the spirit of their entrepreneurship. TACTIC-DC facilitates seminars, networking events, workshops, vis-à-vis meetings, chamber visits, business trips, and matchmaking programs to accomplish its mission. TACTIC-DC has about 400 members most of whom live in the greater Washington DC area.

Please do not hesitate to contact me should you have any question.
