

Zoning Map showing odd shape of lot and unusual angle at the corner intersection of 16th and Lamont Streets. Zoning boundary is in blue between R-5-D where the Library is located, and C-2-A, which includes all the property that abuts the Library to the rear, with structures facing Mt. Pleasant Street. Also note encroachment of building on Lot 189 into Library property, position of large apartment building on Lot 829 with building and windows right on the property line and generous setbacks of buildings on Lots 802, 200 and 634.
