Re: BZA Application No. 18263 – Motion for Resolution on Merits

Dear Mr. Parsons,

Please be advised that, at the instruction of the Board of Zoning Adjustment (Board), the above-cited motion, received on May 20, 2013, is being returned to you. The Board in response to the D.C. Court of Appeals remand is in the process of preparing findings of fact and conclusions of law that will fully address all of the relevant issues in this case. No other actions are required of the Board and therefore no further filings in this case will be accepted.

Please call me on (202) 727-2806, if I can be of further assistance in this matter.

SINCERELY,
